

## Setups & Startups

Our guys have worked so hard on these setups and startups, I can't begin to tell you how pleased both of the customers are with you guys, as am I. In eight days we put together two complete spreads in the rain, sun, weekends and Father's Day. I have no clue how many hours were put in total, but it was a lot.

Not once did anybody complain, or stop working, no matter the conditions. I had customers at both sites pull me aside and compliment us on our guys and our work ethic. I am proud to be part of this team and would go to war with any of you, anywhere, any time.

On a side note, I feel like I should be at least a Aggregate Apprentice Level 1 at this point. HAHA! Thanks again everyone. You make a mediocre salesman at best, look really good! — Kris Akervik

*Our mission is to provide our customers the highest quality construction equipment available and to protect their investment in us by employing the best people, expertise and technology in the industry.*

## Candy & Community

Jeremy George's son Mason patiently waited for the party (candy party) to get started in St. Cloud. Jeremy drove his service truck in the Granite City days parade.

## Ribfest

We took part in Ribfest again this year! June 6-9th was all about BBQ, brews and BIG equipment. Thanks to our team members who helped set this all up! — Matt Kern

## Promotions & Pineapple

The Admin department congratulated Anna Derkacht and Jenica Wittich on their promotions by treating them to an edible arrangement.

## Our Core Values

### DO THE RIGHT THING:

With all team members, business partners, our customers, vendors and communities.

### HAVE PASSION:

Always, in everything we do.

### BE INNOVATIVE:

Bring ideas, challenge the status quo and think creatively.

### WORK HARD:

Put in the time required to get our work done, on time and right.

### Getting IT Done!

In today's world a minute seems like a lifetime, especially in the computer age. We have multiple ways to communicate, cell phone, computer, IM, tablets, etc. I just wanted to share my thoughts on Matt Grove and his department. Despite the urgent phone calls, computer upgrades and issues we all have had, Matt's team has been great to deal with. Jeremy and Brent, and of course Matt, have been calm, friendly and are often overlooked and under-appreciated. They are a great group and I appreciate all of their help during my computer upgrade. —Steve Berdan

## Monthly Photo Contest

Thank you to the technicians that send us photos each month! We have a great photo library going now, because of you. — Erika Peterson

1st Place: Joe Wilhelm (Fargo)

2nd Place: Michael Frier (Sioux Falls)

3rd Place: Landon Caughey (Fargo)

## A Note of Appreciation

Alex Klein received this letter from Lone Tree Cattle Company out of Bismarck. Thank you for always taking care of customers, Alex! — Kyle Wangen

## AED Certification

Congrats to Isaac Stone and Alex Lass on receiving their AED Certification! Training is a big part of our company culture and it makes us proud when people step up to do it on their own. They are pictured with Service Manager, Ryan Knudson.

—Steve Stafki
