## Rental Agreement Terms and Conditions in Regards to “START-UP” of Aggregate Equipment

### Definition of Start-Up:

- ▲ As defined by GES is meant to review equipment rented by the customer and educate on proper operation, safety, maintenance and inspection of equipment, resulting in reduced equipment damage, downtime, misapplication and increased production.
- ▲ Can take place either as equipment leaves GES yard or upon arrival at the customer’s job site depending on complexity of the equipment and application.

### Start-Up Terms:

- ▲ Rentals less than two (2) months: Start-up by GES qualified technician paid for 100% by rental customer
- ▲ Rentals less than three (3) months: Start-up by GES qualified technician paid for 50% by customer and 50% GES
- ▲ Rentals three (3) or more months: Start-up by GES qualified technician paid for 100% by GES

### Start-up Billing Terms:

Start-up Fees (and Set-up Fees if applicable) will be billed at the time of the first month’s rental billing. Any associated credits will be issued at the end of the rental.

As per the terms of the Start-Up, operators and maintenance workers are responsible for immediately reporting issues and questions to GES on site service technician, service manager, customer sales and support representative or salesperson.

## Rental Agreement Terms and Conditions in Regards to “SET-UP” of Aggregate Equipment

### Definition of Set-Up:

Customer renting portable aggregate equipment is responsible for its “set-up” prior to start-up including, but not limited to the following:

- ▲ Prepare level pad capable of supporting equipment.
- ▲ Supply proper blocking and/or cribbing.
- ▲ Set-up and properly block equipment using factory supplied blocking points and/or legs based on operating conditions.
- ▲ All “set-up” pertaining to electrical; cord connections/termination will be based on current NEC/MSHA/OSHA/Federal/State regulations and installed by qualified electrician hired by customer.
- ▲ GES will not be responsible for electrical inspection or electrical work on site.

***Any customer who requires set-up assistance may hire GES to assist.***
