CRANES

## Are You Going to Carry the Load?

### If Your Crane Breaks Down...

Annual certification inspections are a must, and winter is the best time to get it done. With our specialized service team, you get over 45 years of crane experience. We complete a thorough inspection and provide a detailed quote that covers work to be done.

#### Inspection fee schedule:

- ▲ Hydraulic Truck Cranes = \$800
- ▲ Lattice Boom = \$1000 up to 500 ton
- ▲ Boom Truck = \$ 575

Prices do not include mileage or travel time.

**Call your local Service Department to set up your crane inspection, today!**

- ▲ Bismarck, ND | 701-223-9700
